

NORDIC KNOTS

FJORD - CREAM/BLACK - 140X200 CM

A fjord or fiord is a long, narrow inlet with steep sides or cliffs, created by a glacier. This design is inspired by the Norwegian coastline and its estimated 1,200 fjords. This shaggy rug is made with New Zealand wool for great quality and a soft feel. The Fjord collection is handmade in small batches. Only a few in each size are available.
