NORDIC KNOTS

ARTISAN - INDIGO - 140X200

A contemporary flat-weave design handcrafted with artisan techniques using our high-quality New Zealand wool. The horizontal fringes beautifully frame the room and give a distinct expression to the otherwise minimalist design. The rugs are woven in panels then stitched together by hand. This gives each rug unique variations – perfect imperfections you will come to cherish for a long time. The Artisan collection is handmade in small batches. Only a few in each size are available.
