## **NORDIC KNOTS**

ZERO BASKET - BROWN - 140X200 CM

Zero Basket is crafted without dye—uncoloured—celebrating the natural quality and characteristics of wool in its purest form. The classic basket-woven design not only highlights the rich texture but also makes the rug soft and inviting. Elegantly outlined by a dark contrast binding, and available in three different shades. The Zero Basket collection is handmade in small batches. Only a few in each size are available.
