

# NORDIC KNOTS

## RIVER - SNOW - 140X200 CM

River is a shaggy rug in creamy hues of luxuriously soft New Zealand wool, contrasted by dark streams of woven canvas. Its name is a reference to the river that divides the snow-clad landscape with its beautifully curved shoreline, in the Dalarna region of Sweden. Crafted by hand in small artisanal batches.

**COLORS:** White, Dusty White, Natural White, Pale Sand
