JUTE RUNNER - CREAM - 75X250 CM

The Jute Collection is woven with strong all-natural plant fibers in a modern rustic design. Equally as rugged as minimalist. Available in four different patterns using our signature cream, black and red colors as accents. The rugs are a beautiful foundation to any room, whether it's in the countryside or in the city. Each rug is handwoven with irregular details to create beautiful imperfections that make each rug unique. The rugs are tough and durable with a texture that ages beautifully. The Jute collection is handmade in small batches. Only a few in each size are available.
