

NORDIC KNOTS

DUNES - MELANGE - 140X200 CM

Designed to let the comfortable material do all the talking, it is the voluminous yarns made from New Zealand wool that give Dunes its irresistibly soft texture. Woven in a melange of natural shades to a rich marbled look—a symbiosis between traditional craftsmanship and minimalistic elegance—lending each piece a contemporary grandeur. The Dunes collection is handmade in small batches. Only a few in each size are available.
