BÅSTAD - RED - 140X200 CM

Named after a beloved summer town in the south of Sweden and inspired by early 20th century textile art from that same region. Here in a combination of cream, oatmeal and gray. This rug is skillfully hand woven in high quality New Zealand wool for a soft feel that will last a lifetime. It is woven straight through so you can use both sides of the rug, should you need to. The Båstad collection is handmade in small batches. Only a few in each size are available.
