

NORDIC KNOTS

BOUCLE - SILVER - 140X200 CM

Presented in a monochromatic color scheme, the Bouclé collection imagines old world luxury in an effortless contemporary way. Made from hand-carded New Zealand wool with natural variations of color, the bouclé-style weave achieves a luxuriously soft and rich structure with tonal highs and lows throughout. The Bouclé collection is handmade in small batches. Only a few in each size are available.
