GARDEN MAZE - 140X200 CM

Designed by Campbell-Rey with a colorful and art decoinfluenced sensibility and the floral motifs of Gustavian
style, the neoclassicism of the North. Dating back to the
1780s, with motifs like the wreath and the folding ribbon,
alongside ideas taken from the history of garden design,
at the heart of this collection. Garden Maze is
characterized by lush tones of green reminiscent of
hedgerows and is an homage to the formal gardens of
Russell Page. The deepening shades of green create a
play on perspective and recall the geometric shadows of
a hedge maze. The Campbell Rey collection is handmade
in small batches. Only a few in each size are available.
