

NORDIC KNOTS

CR - AMBER - 140X200 CM

Designed by Campbell-Rey for ISSIMO at Hotel Il Pellicano. A limited collection created to capture the spirit of the Italian dolce vita that's synonymous with this iconic hotel. Inspired by the rich terracotta hues of the hotel's buildings, as well as the lush greens of the undulant rosemary bushes in its surrounding gardens. The Campbell Rey collection is handmade in small batches. Only a few in each size are available.
