ACRE - 01 - 170X240 CM

Our vision of timeless design extends outdoors in Acre, a weather resistant flatweave rug. It is our most refined foundation for the outdoor living room, designed to frame the most beautiful gardens, orangeries and terraces. Woven by hand in rich abaca, a rare all-natural material selected for its remarkable durability and decidedly understated expression of elegance. The Acre collection is handmade in small batches. Only a few in each size are available.
