DIAMOND - DEEP RED - 250X350CM

The collection sees mid-century modernism reimagined through a contemporary lens. Designed for Jessie Andrews' Tase Gallery. Including a bold take on timeless animal prints and architectural geometric shapes. Underpinned by a color palette of intriguing tones. Deep maroons and golden hues bring warmth while dusty powder blues and creams add lightness. Diamond is characterized by the jewel-like shape. Available in a serene neutral or blush burgundy.
