GILD 03 - LEOPARD - 300X400CM

Inspired by the Swedish Grace period, the early 20th-century design movement deeply rooted in neoclassicism, the Gild collection encapsulates a world of sophisticated, modern elegance. Echoing the principles of this classical style with designs and patterns reimagined for the modern day. Gild 03 offers a contemporary take on a classic animal print. Featuring soft sands and copper colors reminiscent of leopard's spots. Lined with intricate golden bamboo silk. The Gild collection is handmade in small batches. Only a few in each size are available.
