NORDIC KNOTS

RYYA 02 - BEIGE - 6'X9'

A contemporary edition of the Scandinavian shaggy-rug tradition. A sophisticated statement, crafted from a melange of mixed colored yarns, each rug showcases a refined salt-and-pepper texture. The palette ranges from a contemporary take on bold retro-shaggy-rug colors to timeless neutrals. The Ryya collection is handmade in small batches. Only a few in each size are available.
