

# NORDIC KNOTS

## GRID - FADED BLUE/BLACK

A tribute to the iconic simplicity of early modern and Swedish funkis design. These plush area rugs are inspired by bold geometric patterns and clean architectural lines. Handwoven from supremely soft and durable New Zealand wool. Featuring a refined color palette including soft neutrals and colorful accents. Grid teases the eye with a twisted take on symmetry — featuring a quadrate pattern with a slight shift running down the middle. The Modernist Collection is handmade in small batches. Only a few in each size are available.

**COLORS:** Blue, Green, Dusty white, Green/Oatmeal, Oatmeal, Yellow, Leo, Burnt Orange, Gray, Cream, Milano Green, Pink, Teal, Deep Blue, Navy, Chestnut/Black, Pistachio/Black, Dusty White/Black, Dusty White/Cream
